**SUPPLEMENTAL EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kevin L. Daffer on 3/8/2007.

The application has been amended as follows:

Claim 1, line 10: after "second antenna", the following language has been inserted: -- , wherein the first antenna, the second antenna and the apparatus are integrated onto an expansion card, which is detachably coupled to internal components of the system --.

Claim 16, line 6: after "pair of antennas", the following language has been inserted: -- , with a center of the apparatus at a position of maximum electromagnetic energy, --.

Claim 23, line 1: after "The system of claim", "22" has been deleted; -- 16 -- has been inserted.

Claims 10, 21, and 22 have been canceled.

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the cited prior arts, either alone or in combination, fail to teach that the first antenna, the second antenna and the apparatus are integrated onto an expansion card, which is detachably coupled to internal components of the system, in combination with all of other limitations in the claim.

Art Unit: 2617

Claims 2-9, 11-15 depend on claim 1. Thus, they are allowable.

Regarding claim 16, the cited prior arts, either alone or in combination, fail to teach an apparatus comprising a plurality of elements arranged between the pair of antennas, with a center of the apparatus at a position of maximum electromagnetic energy, in combination with all of other limitations in the claim.

Claims 17-20, 23-24 depend on claim 16. Thus, they are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
